

# Japan International SAMPE Symposium & Exhibition

## "Advanced Material Technology for Sustainable Development"

### JISSE-11 2009

November 25 –27, 2009

Tokyo Big Sight,

Tokyo, Japan

## CALL FOR PAPERS

The Japan Chapter of SAMPE willingly welcomes participants and speakers of the 11th Japan International SAMPE Symposium and Exhibition (JISSE-11). JISSE-11 have technical sessions focusing on ***Nano materials, Green composites, Active smart composites, Multifunctional materials, Materials and Processing for Automobile and Ground Transportation, Design and Manufacturing Technology, New Materials and Fabrication Technology, Polymer Matrix Composites, Metals, Ceramics, Carbon and Their Composites, CAD/CAM/CAE and Computational Engineering, Structural Measurement and Nondestructive Evaluation, and Bio-materials.*** JISSE-11 willingly invites all the scientists, engineers, technicians, and companies involved in the most advanced developments in materials and processing to present their research results. Useful research information, valuable business opportunities and your new colleagues are waiting for you here in exciting city Tokyo. Visit <http://www.jisse-11.org/>

Contact Secretariat of JISSE-11 E-mail : [jisse11@jisse-11.org](mailto:jisse11@jisse-11.org)

**Deadline for Submission of Abstract: May 31, 2009**

**(150 word abstract)**

**Deadline for Submission of Full Paper: August 31, 2009**
